# Supply Chain Cert III

## Including Forklift or Order Picker elective

The Warehousing and Logistics Industry has gone to the next level! One of the largest employers in the country.

More employers, means more opportunity. Our Supply Chain Certificate III is a brand new FUNDED course, designed to deliver the skills to work in many areas of the Supply Chain.

It includes the **Certificate III in Supply Chain Operations** (TLI30319), plus at no additional cost, electives of your choice - either a **Forklift License Course** (LF Class) or an **Order Picking Forklift License Course** (LO Class) high risk licence.

The courses run **every month** from **Brisbane, Logan** and the **Gold Coast**.

A **friendly, welcoming** and **professional** training environment, along with excellent equipment and some of the **best trainers** in the business combine to make this a great opportunity to join a growing industry.

From **only \$14** (\$1 per unit) for concessional or **\$56** (\$4 per unit) non-concessional students, this may be **just the course for you!**

A course in Logistics may be **your passport** to a growing industry. Our Logistics SkillsPack is **more** than just another course - it is designed as an **industry ready** program.

The qualification involves developing **a range of skills** which are called on regularly in day-to-day Supply Chain operations. There are **no formal entry requirements**.

These skills will provide **fundamental knowledge** and understanding, as well as their practical application in the workplace.

Delivered as a full time, **face to face** training program at **Brisbane, Logan and the Gold Coast**, in our classrooms and simulated warehouse environments.

The qualification you will achieve is the **Certificate III in Supply Chain Operations**, (TLI30319) which we deliver as our SkillsPack. It includes **one** industry specific **machinery elective** of your choosing.

**Elective 1:** TLILIC0003 Licence to Operate a **Forklift Truck** or;

**Elective 2:** TLILIC0004 Licence to Operate an **Order Picking** Forklift Truck

**Course costs and funding:** There are two funding options available for this course.

**Funding option 1:** Self-funded enrollment is where a learner pays the **cost of training** independently. The cost of this program is \$1750.00 - 50% due on enrollment, and the balance prior to completion.

**Funding option 2:** The Queensland Government Certificate 3 Guarantee Program exists to assist eligible entrants to achieve their first Certificate III qualification. At **only \$14** (\$1 per unit) for concessional **or \$56** (\$4.00 per unit) non-concessional students, this may be **just the course for you!**

**Join us** for our next information session to learn all about the program, meet the team, check your funding eligibility status, and if you wish, enrol into the upcoming course in the location of **your choice**.

There is **no cost** to attend the **information session**, and **no obligation** to enrol.
